

Minutes of a meeting of Eye Parish Council held in the Leeds Hall, High Street, Eye on Thursday 20th April 2017 at 7pm.

Consultation with the public until 7.10pm – 2 present.

Planning application for the signs alongside the A47. Permission has been refused by PCC but an appeal has been lodged. The Parish Council objected on the grounds that access to the area had been changed to go over Parish Council land. The Parish Council asked that this be reverted to how it was. City Councillors had objected to the proposal on the grounds of road safety/view on the A47.

The owner requested an onsite meeting with the Parish Council and will forward his contact details to the clerk.

Difficulties for the general public taking a trailer into the Dogsthorpe Tip as now all must have a permit. A permit for 3 visits is obtainable free of charge from the City Council, by personal visit or on line and is valid for one week.

This situation is being looked at by the PCC Scrutiny Committee as it appears to increase fly tipping which is a national problem.

Attendees Mrs P Blades, Mr G Chapman, Mr S Duffy, Mrs S Foster, Mr A Goodsell, Mrs D Magnus, Mr A Martin, Mrs A Meadows, Mr A Short and Mr P Smart.

Also present: Councillors S Allen and R Brown.
