09) Allotments

Report of meeting held with allotment holders on 9th December - the meeting was well attended and well received. Water charges to be increased and over 65's will now be charged for water. A further meeting for allotment holders will be held in the spring.

Clerk will arrange committee meeting to discuss suggested amendments to the Tenancy Agreement ie stop very early starts/late finishes down there one issue. Clerk to contact Anglian Water to have stop cock repaired, Noticeboard now up and operational.

10) Cemetery

The clerk and a member of the Parish Council had received a phone call from a lady concerning the cemetery saying that she had to obey the rules and wasn't allowed to put the memorials she wanted on her husband's grave yet others were. Members of the cemetery committee did a site visit before Christmas and spoke to a family in there who apologised for not complying with the rules and agreed to sort out immediately. There were just 2 others not complying but these were very recently bereaved. The Chairman visits regularly and hasn't seen any other issues. Another site visit will be arranged in the spring.

11) Eye Primary School

Recent OFSTED report was good. The school will not be doing mixed classes. Now has approx 450 pupils on roll. The catchment area is Eye and Eye Green. The school has taken over the nursery.

12) Leeds Hall, Recreation Ground and Amenities

Leeds Hall – look at having curtains cleaned. How many chairs have we got and are more needed?

Bench outside the Community Centre is being used as a commemorative bench – unfortunately it looks an eyesore with so many spent flowers. The Community Centre are trying to resolve this.

Set of Pavilion keys outstanding from the football club despite two requests for their return. Change the locks and send them the bill.

Large tree at the Edgeley Pond site was cut down and now a replacement tree has been planted – clerk to try to find out who as this is on Parish Council land.

13) Asset Transfer - Manor Farm Community Centre

The committee are still sorting out the problems with the new boiler and the heating system

14) Platinum Jubilee Slide Show & other celebrations

An open meeting to be arranged together with the Community Centre for the community to discuss the way forward. To be advertised with posters, facebook page, website etc

Several ideas – A big lunch, flower bed in front of the church, areas freshened up around the village

Mr Smith is helping to coordinate a slide show of then and now. A two hour presentation with an interval – if there is enough interest could do one show in the Leeds Hall and one in the Community Centre.

15) Good Neighbour Scheme

An article was put in Eyescan but unfortunately no interest was shown by the community. Therefore members voted unanimously not to take the scheme forward.

16) Transport, Roads and Footpath

Lee Moore, PCC – Email advising that a works order will be issued in the new financial year for renewal of fading yellow lines.

Mrs J Anderson, PCC – Request for extension of double yellow lines in Back Lane, Eye. We object as cannot see why and should not just be one person's request
Notice of road works seen in local press - Bath Road 24th January and Eyebury Road scheduled for 29th January.

17) Village Sign

Mr Martin and Mr Smith visited the Village Sign Company. Three other sign companies had declined to quote.

They make a plaster cast of the design we had agreed on and submitted and then it goes to the foundry. The artists then paints it.

Being robust the sign is expected to last 25years, only requiring an occasional wash down. it is in a 8ft oak pot which is then out in a metal shoe into the ground.

They deliver but we have to put it in the ground, suggestion is for a small flower bed around the base

The cost is £7,429. All agreed to go ahead. Clerk to ask what the cost would be for a second sign.

Could be illuminated from the bottom

The old sign could be displayed in the Leeds Hall.

18) Other Correspondence – None

19) Date of Next Meeting – Thursday 17th February 2022
