

Eye Village Lantern Parade

Sat 12th Nov | 6:30pm | FREE

"Creating light through the dark times of the year"

Bringing people together in a sea of community handmade lanterns, music & performance parading through Eye Village

Supported using public funding by
ARTS COUNCIL ENGLAND

Information for residents on the Parade route

Parade route: The parade route will travel from the back of Manor Farm Community Centre, along the backs of Cleve Place and Merevale Drive, up Bath Road, along the High Street and ending at the St Matthew's Church.

Road closure: Eye High Street, 6.30 – 8pm.

Eye High Street will be closed to traffic from just before Bath Road to Crowland Road for the duration of the parade. This is for the safety of the participants and performers. It has been authorised by Peterborough City Council and the Highways Agency. 20/20 Traffic Management Company will be managing the road closure and implementing signage.

Redirected bus routes: Buses will not travel along the High Street for the duration of the event and associated road closure. Temporary bus stops will be set up on Cartmel Way and Crowland Road to replace the ones on the High Street. Buses will collect and drop off at these points but will be redirected via the A47. This will only impact on 1 – 2 buses arriving or departing between 6.30 – 8pm.

Join the fun and decorate your houses: If you are one of the houses on the parade route, we would love it if you wanted to light up your home. You can use Christmas lights (static and not flashing lights if possible) or use tissue paper to make patterns or scenes on your windows.

If you have any further questions, please just email us on peterboroughpresents@neneparktrust.org.uk or message us via social media.

Light Up Eye is a free to attend, family orientated **lantern parade**

Eye Lantern Parade will bring the local community together to celebrate the village, people and winter traditions of the area. Light Up Eye is the inspiration of performance company **La Septima UK**. It is inspired by Christmas light displays and the history of the village, residents will parade through the village with beautiful handmade lanterns - creating some winter cheer.

Parade details: 6:30pm - 8pm. Booking is essential.

Starts: Manor Farm Community Centre.

Ends: St Matthews Church.

Eye High Street will be closed to traffic during the parade. Following the parade residents will be able to see the lanterns on display at St Matthew's Church, Eye.

Groups from across the village have been working with La Septima to make paper lanterns & create performances. Groups incl: Eye W.I., Eye Primary School, Eye Youth Group, Eye Rainbows, Brownies and Guides, residents at The Spinney, Froglife, EAPS, Eye Runners and lots of individual residents. Together, we've made over 150 lanterns!

Make your own lantern

There are free public workshops, 5th and 6th November, 11am - 4pm at Eye Youth Club. For how to make lanterns at home visit our website.

For bookings (parade, lantern making, access details) visit www.peterboroughpresents.org/light-up-eye or contact: 07436 031343

About Peterborough Presents

Peterborough Presents is a community-focused arts programme hosted by Nene Park Trust. Our aim is to work in neighbourhoods across Peterborough, working with residents to make great art. By great art, we mean creative activities and events that are fun, diverse and most importantly relevant to local people - festivals, workshops, murals, performances etc.

Light Up Eye is our first project in Eye. We will be working in the area over the next 2 - 3 years creating more activities.

We would love to hear from you about things you would like to see in your village.

If you are interested to find out more, please get in touch or follow us on social media. Email: peterboroughpresents@neneparktrust.org.uk

La Septima:

La Septima is a French/UK performance company. They already run a magical lantern parade in Tonnerre, Burgundy and are delighted to be working with the community in Eye. For more details on La Septima: www.cielaseptima.com
