

EYE COMMUNITY SPEEDWATCH

Working in partnership with Cambridgeshire Constabulary to make our roads safer.

Are you concerned about speeding drivers in the village?

Eye Community Speedwatch team needs volunteers to get actively involved in monitoring the speed of vehicles travelling through our village.

The Speedwatch scheme is a national initiative to allow volunteers to monitor the speed of passing vehicles using a speed detection device. The volunteers record the details of vehicles that are exceeding the speed limit and submit them to the police, who will take appropriate action.

There's no time commitment. We run sessions when we can, and it can only take an hour of your time to attend. If you would like further information please call the Eye Parish Council on 01733 222037 or email eyeparishcouncil@btinternet.com.
