Eye Neighbourhood Plan

Have your say

We invite you to share your valuable feedback on the draft neighbourhood plan.

Your responses to last year's neighbourhood plan survey have played a crucial role in shaping the draft plan which offers us a valuable opportunity to actively shape the future of our community from a local planning perspective.

You can view a draft version of the plan by visiting the parish council website, www.eyeparish.org.uk or picking up a printed copy from the Leeds Hall, the library or Manor Farm Community Centre and returning your comments by email to the parish council at eyeparishcouncil@btinternet.com or in writing to the Leeds Hall, High Street, Eye, PE6 7UP.

The consultation closes on Sunday 20 July 2025.
